

**Groundsman and Junior Groundsman- GreenFields UK are expanding!  
2 positions available!**

**Reporting to:** Operations Manager

**Salary:** Negotiable dependent on experience.

**Start:** Immediately.

GreenFields is a specialist in sports turf technology with longstanding experience in the development, manufacturing, construction, installation and maintenance of natural, hybrid and synthetic turf systems.

We are recruiting two new positions both for immediate start.

The Groundsman position will be part of a national maintenance team working at a number of high profile sporting venues. The main base will be the Ricoh Arena, Coventry but travel nationally will be a key part of the role and as such a vehicle will be provided.

The Junior Groundsman will be part of the grounds team based at the Ricoh Arena and is responsible for undertaking tasks to assist with the maintenance of the general condition and availability of the stadium sports facilities, whether at the Ricoh or other facilities. They will work as part of an overall team, reporting to the Head Groundsman and Operations Manager.

**Main Responsibilities:**

- Preparing and maintaining sporting facilities, including artificial surfaces to recognised national standards and to the satisfaction of all users. (Junior Groundsman will work under the direction of the Head Groundsman)
- Providing grounds staff support as required for matches/fixtures.
- Undertaking any other reasonable duties.
- The successful Junior Groundsman will perform day to day operations at the Ricoh Arena and will be expected to work independently in the absence of the Head Groundsman.
- The successful Groundsman will work independently at different sites as part of the GreenFields national maintenance team.

**Person Specification:**

- Previous experience as a Groundsman or similar
- Experience of working in a dual use facility is desired but not essential
- A full understanding of field markings
- The ability to work well as part of a team
- A flexible and enthusiastic approach to work
- Must be able to work without supervision
- Relevant qualification in turf management (L2 Work Based Diploma or similar)
- Spraying certificate, PA1 & PA6 Knapsack spraying and weed killing (Desirable)
- Full, clean driving licence
